

I go to Chelsea Elementary School.

I am a student in the Centre.

My teacher is Ms.Gage.

Soon I will be getting a new teacher in the
Centre!

I know her as Madame Michelle!

I won't be seeing Ms. Gage every day anymore.

Ms. Gage has to go work at a new school called Greater Gatineau!

This is an exciting and scary time!
It is okay to feel nervous, sad, happy, or angry.

It is okay to miss Ms. Gage.
We will all miss her.

I might feel this way for a little while.
But I will remember that change is a good
thing!

Madame Michelle will teach me, help me,
hug me, play with me, understand me and
care for me.

Madame Michelle is excited to be my new
teacher!

I will still see all my other teachers every day!

They are here to help me!

I will be excited for when Ms.Gage visits us!
We can email Ms.Gage if we miss her!

My teachers are proud of me for going through change!

I am becoming a big kid!
