

Going to the Library

I am going to the Chelsea
Library with my class on
Thursday!

It is important to be quiet in the library.

My teachers will show me where the bathroom is.

We will sit on the carpet and listen to the librarian read us a story.

I will look through the book shelves to find a book to bring home.

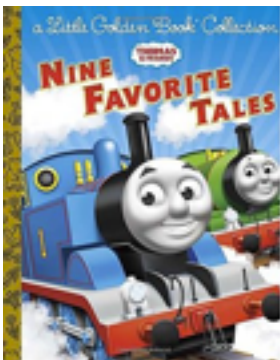

When I find 1 book, I will bring it to the Librarian.

I give the Librarian my
Library Card.

She will let me take the book
home for one week.

When I am all done, I will look at my book with my class.

It is important to be very gentle with the books, they are not mine.

I will bring back my books next
