

I go to Chelsea Elementary school!
At school we spend a lot of time outside.

Sometimes it is hard to choose what I want
to do at recess.

There are a lot of fun things I can do at
recess!

I can

climb

climb

blow bubbles

play with friends

read a book

play with a ball

play on the boat

be silly!

I can play soccer.

I can play catch.

I can run.

I can look for acorns in the forest.

I can also bring out toys to play with.

There are lots of things I can do at recess.

All these things are more fun with a friend!

If I want to play with a friend I can try and

say

“Can I play with you?”

My friends love playing with me!

Recess is a fun time of day and I am able to
decide what I want to play!
I am a big kid!
